

## CORRIGENDA TO ELECTRICAL FIRES AND EXPLOSIONS

p. 59, second column, first paragraph: Faraday's Law of Induction is missing a minus sign after the equals sign:

$$\nabla \times \mathbf{E} = -\frac{\partial B}{\partial t}$$

p. 383: last line in Table 2 "cupric oxide," not "cuprous oxide"

p. 913: delete left-side photo in Fig. 107
